

Prices Valid from 20.08.2013

## Non GMS (Private) Travel Vaccination Charges

Hep A (Course of 2) £ 64.50

Typhoid - for travel to Europe (single) £ 19.45

Hep A and Typhoid combined (Course of 2) £115.00

Please note - The vaccinations listed above will not incur a charge if they are recommended for your destination of travel. If they are not recommended, but you wish to have them, the prices listed above will apply.

There will always be a charge for the following vaccinations:

Hep B (Course of 3) £ 70.00

Hep B (Fast track course of 4) £ 93.50

Hep B Booster (single) £ 23.35

ACWY – Menveo £ 90.50

Rabies (Course of 3) £170.00

Ixiaro (Course of 2) £205.00

Cholera (Course of 2) £ 42.20

Tick Borne Encephalitis (Course of 2 or 3) Adult £ 57.50 per dose  
Child £ 50.00 per dose

Yellow Fever (single) £ 45.00

Where vaccination charges do apply, all of the above are PLUS the cost of administering the vaccination, ie:

£17.25 per single vaccination

£24.00 per course of two

£34.00 per course of three

£44.00 per course of four

If you are planning to travel and need some advice, please collect a Travel Form from reception which you will need to complete and return. One of our practice nurses will then use the information you have provided to determine whether or not vaccinations are recommended. Please note that you will need to allow 14 days between returning your completed form and contacting us for advice.
